

The Creative Circus

Covid-19 Campus Plan

Hygiene

- All students, faculty, and staff will be required to wear a mask while at school. If you do not have a mask, you can grab a disposable one at the student entrance. Gloves will be provided as well, if you choose to wear them.
- All students and faculty will have their temperature taken upon arrival (via a touchless forehead thermometer) and will be asked to use the provided hand sanitizer.
- Covid-19 Guidelines and Expectations posters are posted throughout the building. Please Read AND Heed those guidelines. #SCIENCE
- No dogs until further notice. #majorbummer
- Clean hands keep all of us healthy. Avoid touching your face. Viruses LOVE your eyes, nose and mouth. Don't give those germs a chance.

Student Contact and Physical Distancing

- Students should avoid close physical contact with others and shall direct others to increase personal space to at least six (6) feet, where at all possible.
- We encourage all returning students to be back in the state 8-10 days prior to the start of classes.

Building/Classrooms

- The entire school has been deep cleaned and we are taking every measure to provide the most sterilized environment for you, per the CDC guidelines.
- The common areas and bathrooms will be cleaned three (3) times a day. Between 12:30 PM - 1:30 PM. Between 4:30 PM - 6:30 PM and after the close of business / before morning classes.
- Extra sanitization stations have been placed around the school and will be refilled daily.
- Each classroom is equipped with disinfecting towels. Each student and instructor is responsible for wiping down the area they used.
- Classrooms have been mapped for each person to be properly distanced. Red X's have been placed on the floor and it's expected for each person to stay in their areas.
- All unused chairs have been removed from the classrooms. There are other certain common areas that have been cordoned off and are not available for use.
- Students and faculty are to use the **STUDENT ENTRANCE ONLY**. As stated earlier, all students will have their temperatures taken upon arrival (via a touchless forehead

thermometer) and they will be asked to use the hand sanitizer at that time. Masks will be available, if you do not have one. Gloves will be provided if you choose to use them. Security will insist that everyone is wearing a mask. Security and Admin staff will be walking the halls to insure that everyone is wearing a mask.

School Hours

Monday - Thursday 8:30 AM to 9:30 PM
Friday 8:30 AM to 5:30 PM
Saturday and Sunday 12:00 PM to 6:00 PM

Student Use of Building

- If any student has to travel a long distance to and from school and has 2 classes on the same day, they will need to make arrangements with Janie and to have a space in the lab reserved for them.
- School facilities will be open for team meetings and lab use. These times will be made by appointment only. These meetings will be limited to 3 hour blocks during school hours, as well as, during the week and the weekends. **There is a 48 hour advanced request for these meetings.** Only people on the appointment list will be allowed in the building to work. Students will follow the entry process and check in with security, then proceed to their reserved spot. Once the allotted time is up, students are expected to wipe down their area and check out at Security. Twenty teams are allowed in each time slot. To make an appointment, please email **Janie - janie.belden@creativecircus.edu**. **Please note, one apple can spoil the whole bunch, if there are any violations, we may shut the appointments down.*
- Forums will be a blend for Summer Quarter. Hannah will set up one-on-ones with the Forum speaker for 8th Q students. 8th Q students will be able to attend a live forum, the rest will be viewed via live stream.

What To Do If a Visually Sick Student Returns to School

If a student exhibits any COVID-19 symptoms, the student must remain home until they are symptom free for **72 hours (3 full days)** without the use of fever reducing or other symptoms altering medications.
