## *Covid-19 Campus Plan*

---

### Effective - May 1st 2021

As we plan for Summer Quarter 2021, we are happy to announce that we are planning for classes to be mainly on ground. Please plan accordingly. There will be some classes on-line. Quarterly panels will continue to be on-line. Below are the guidelines for returning to campus.

### Hygiene

- We strongly encourage students and staff to get vaccinated. Naja will be providing testing and vaccination sites. .
- Even if vaccinated, it is required by staff, faculty and students to wear a mask. If you do not have a mask, you can grab a disposable one at the student entrance.
- All students and faculty will have their temperatures taken upon arrival (via touchless forehead thermometer) and will be asked to use the provided hand sanitizer.
- Clean hands keep all of us healthy. Avoid touching your face. Viruses LOVE your eyes, nose and mouth. Don't give those germs a chance.

### Student Contact and Physical Distancing

- Please continue to use caution and avoid close physical contact with others.

### Building/Classrooms

- Air purification and sanitization units have been added to the HVAC units.
- High traffic areas in the building are being cleaned twice daily.
- Students and faculty are to use the **STUDENT ENTRANCE ONLY. As stated earlier**, all students will have their temperatures taken upon arrival (via a touchless forehead thermometer) and they will be asked to use the hand sanitizer at that time. Masks will be available, if you do not have one.
- Students are able to use the building at any time the school is open.

## School Hours

**Monday - Thursday** 8:30 AM to 10:00 PM  
**Friday** 8:30 AM to 5:30 PM  
**Saturday and Sunday** 12:00 PM to 6:00 PM

## Dogs

- Yes, our beloved pups are welcomed back! All pups must be on a leash. Prior to bringing our furry friends to school, please make arrangements with Janie. You will need to provide up to date vet records and sign the Dog Rules contract.

## Forums

- Hannah is working on the forum schedule for Summer. Once that is complete, it will be distributed to students. **PLEASE NOTE:** There are two scheduled Spring Forums that will be held in person at The Circus, in the theatre. Dates: Friday, May 14th and Friday, May 28th.

## What To Do If a Visually Sick Student Returns to School

If a student exhibits any COVID-19 symptoms, the student must remain home until they are symptom free for **72 hours (3 full days)**.
