Covid-19 Campus Plan

Effective - July 29, 2021

Update for Summer Quarter 2021, we are happy to announce that the majority of our classes are on ground. There are very few classes online. However, given the rise of positive Delta variant cases in Atlanta, Fulton, and Dekalb, masks are required for fully vaccinated and unvaccinated people. Below are the rules for being on campus.

Hygiene

- We strongly encourage students and staff to get vaccinated.
- Even if vaccinated, it is required for all staff, faculty and students to wear a mask. If you do not have a mask, you can grab a disposable one at the student entrance.
- Clean hands keep all of us healthy. Avoid touching your face. Viruses LOVE your eyes, nose and mouth. Don't give those germs a chance.

Student Contact and Physical Distancing

- Please continue to use caution and avoid close physical contact with others.

Building/Classrooms

- Air purification and sanitization units have been added to the HVAC units.
- Students and faculty are to use the **STUDENT ENTRANCE ONLY**. Masks will be available, if you do not have one.
- Students are able to use the building at any time the school is open.

School Hours

Monday - Thursday	8:30 AM to 10:00 PM
Friday	8:30 AM to 5:30 PM
Saturday and Sunday	12:00 PM to 6:00 PM

Dogs

- Yes, our beloved pups are welcomed back! All pups must be on a leash. Prior to bringing our furry friends to school, please make arrangements with Janie. You will need to provide up to date vet records and sign the Dog Rules contract.

Forums

- This is fluid for now. We are confirming with speakers their preference because the majority of Forums are scheduled for on ground. We will be providing an online link.

What To Do If a Visually Sick Student Returns to School

If a student exhibits any COVID-19 or Delta variant symptoms, please inform your instructors and Janie that you will be attending classes online until you receive a negative test result.
